ANNUAL REPORT 2016-2017

FROM THE VICE PRESIDENT OF ADVANCEMENT

Dear Crusaders,

It is with great pride and thanks that we present the 2016-2017 Annual Report. This document celebrates you, our generous donors and organizations that supported Holy Cross High School over the past school year. Thanks to your generosity, the 2016-2017 Annual Fund total came in at \$616,630.00.

In addition, many of you supported Holy Cross in other ways. You attended, sponsored or donated to one of our events. You bought tickets to our annual car raffle. You allowed Holy Cross to benefit while you shopped on AmazonSmile or at your local grocery store through our Reward Programs.

Through your generosity, we have maintained a standard of excellence that sets Holy Cross apart from the rest. Your gifts allow us to maintain our facilities, support our faculty and purchase necessary supplies and technology.

We have realized many successes over the past year. Scholars have excelled in and out of the classroom. National Merit Scholarship nominees have been named. Student-athletes have achieved state championship level status. Performers have been recognized regionally for their efforts.

This past year, we saw the opening of Alumni Field, which has allowed us to offer a communal experience for our students, parents and alumni. This is only the beginning.

Over the next few months, you will receive updates and information about Holy Cross's plans for the future. These plans will highlight areas in need of development and support. I urge you to stay connected with the school as we begin this exciting period of growth.

This report reflects the generosity, commitment and passion displayed by our alumni, parents, faculty, staff, grandparents and friends. It also illustrates the confidence that you have in our school's five-decade-old Catholic mission which believes encompasses the education of the entire student. Thanks to you, we can continue to honor our past, live in the present and secure our future.

With thanks,

A handwritten signature in black ink that reads "Cary Fappiano". The signature is fluid and cursive, with the first name "Cary" being more prominent.

FROM THE DIRECTOR OF THE ANNUAL FUND

Dear loyal donors and supporters,

We truly can't thank you enough for all that you have given Holy Cross High School. This goes beyond dollars and cents. This is about your passionate commitment to our school and the great work that is done here on a daily basis.

Whenever, the words "Annual Fund" appear in print, it creates many questions from people; the dominant one being, "What is it?"

The Annual Fund supplies monies for the school's yearly operating budget. The cost of a private school education is such that tuition and fees do not cover the total cost of educating each student. The difference is made up by gifts to the Annual Fund which is critical for the support of the school's entire program. Holy Cross, like all other private schools, cannot be tuition-driven. Tuition costs would be unrealistic.

Your gifts give us the means support financial aid and pay for enhanced technology, daily utilities, new coats of paint on our common areas, office furniture, classroom supplies, professional development and athletic equipment, among many other items.

Every gift truly makes a difference, regardless of size. As evidenced by our large donor base, many small gifts plus numerous leadership sized-donations and a generous match from an anonymous donor creates a significant impact

Again, thank you for supporting Holy Cross High School's Annual Fund.

Sincerely,

A handwritten signature in cursive script that reads "Donna Marino".

Donna Marino
Director of the Annual Fund

THE MISSION AND PURPOSE OF HOLY CROSS HIGH SCHOOL

The **Mission** of Holy Cross High School is to assist in the total Christian education of young men and women. To accomplish this, Holy Cross High School, in cooperation with parents, provides a framework, which fosters integration of the spiritual, intellectual, emotional, physical and social growth of each individual.

Holy Cross High School is an integral part of the mission of the Catholic Church. Our special role at Holy Cross High School is founded on the love that Jesus Christ has for us. We believe this love will lead us to an awareness of the uniqueness of each person in the Holy Cross community. The school's purpose is to foster the development of conscience and a sense of responsibility in each member of the school community. We trust that the awareness of Christ's love for us will lead us to a Christian commitment which manifests love and concern for all.
